Don't Intend to Comply with the

Demand.

for itself: MEMPHIS, TERN., April 10, 1871.

A. S. Mitchell, Exq., Memphis, Tenn.;

Ser.—The Board of Directors of the Mississippi River Railway Company have in-structed use to demand of you the return of twenty-five thousand four hundred dollars, paid you as commissions for obtaining subscriptions to the capital stock of said Company, and also to demand of you the return for cancellation the cerificates for fitty five thousand dollars of the stock of said Company issued to you, the same having, in their opinion, been issued under a contract which they deem of no hinding force against the Company, Respectfully, A.T. LACEY,

through the public press. This could not have happened without the knowledge and consent of the officers of your Board. and consent of the officers of your Board.

Finding the feature that your Board of Directors have made with myself, which respond to the circumstances." are strictly questions of law, thus thrown before the public as if to court its preju-dices and applicase, I feel not only justiand appeting, but compelled to give my amounted to about \$10,000, and had not you will find my full and final anways to the demand made in the name of the Mississippi River Ballroad Directors, in the Memphis Daily Appeal of Tuesday Upon the statement as made by me,

your obedient servant, A. S. MITCHELL, REPLY OF MR. MITCHELL.

a call for a stockholders' meeting, to be held in Covington, on the 14th day of Angust 1866, to slect a new Board of Directors. The meeting was held; all the old stockholders that could be heard of were present and voted about \$5,000 of it. A new Board of the County subscriptions I was entitled to 10 per cent. by contrast, but on settlement remined less than \$20,000, or a tittle over 3 sault on the part of my enemies had been quietly accept bankshment as a final expresent and voted about \$5,000 of it. A new Board of the people of my beard and the county subscriptions I was entitled to 10 per cent. by contrast, but on settlement remined less than \$20,000 of the county subscriptions I was entitled to 10 per cent. by contrast, but on settlement remined in the part of my enemies had been quietly accept bankshment as a final expression to the people of my like the people o

explicitly what I shall do, and what I shall have for it in the future, so that there may be no disagreement when we come to settle." This was considered to make settles and proper, and agreed to by the Board. Thereupon I drew up a form of contract, by which I reserved for myself \$50,000 of stock and \$50,000 of sonds of the read, in consideration of baving revived and reorganized the company and procured for it a grant of \$1,000,

These sums seem large when read and heard about, but the redecting man will consider that it was only about seven and a half per cent. commissions, and that here was not one dollar of cash in the pay. They were not only not cash, but they would never realize a dollar unless the road was made entirely a success and put into operation by my future labors. And then I might get something but only or con from the earnings of the road, provided 33 slways that it was well managed and Alter

formed. For the fulme, I provided in my contract that I should a my own exposes, canyass for stock subscriptions to the Mississippi River railroad, that I should canyass in the State and out of it; on the Messissippli Kivar ratirona, that I should satisfam the State and out of it; on the case and out of it; on the critise of Caire, St. Louis and Chicago; in the United States and Chicago; in the Chicago States and Chicago; in the United States and Chicago; in the Chicago States and Chicago; in the United States and Chicago; in the Chicago State the New Hampshire election a high government of the New Hampshire election and the New Hampshire elect

had the county bonds engraved, put a corps of engineers in the field and had the route from Memphis to Cavington, and thus falled to derive the income that 26% miles, thoroughly surveyed, mapped and prepared. In June, 1809, I walled the Board of Directors together to receive an been in the service of the road. Board of Directors together to receive an account of my stewardship. The entire sum of State aid and subscriptions setured by my agency had now run up to two millions and twenty-five thousand dollars, of which I then turned over half a million of county bonds to the Roard. I had borne ail the expenses of canyassing, had expended of my own cash over \$12,000 in auxone.

HISTORY REVERSED BY BREOLUTION. It is pleasant to remember—but of what avail now, seeing they are dumb while history is reversed by a resolution of a Board?—the chorus of appliance that was measured out to me by people and press. The Board of Directors, rejoicing naturally in having success assured to their road adopted the following preamble resolution at the mesting I have just; mentioned:

It is pleasant to remember—but of what available overture, and the unbinaining reputation of every claim I have or every claim II have or every claim II have or every call I walls. The lessee is to pay all extends and which I never can rectaim I house. The House was engaged in that the discussion of the Senate amendance of the following presents of the Mississippi River Rail
I do not care to characterize this conductor of the Giscussion of the Senate amendance of the following presents and of the following pr The New Comers and the Old Interispers-

so from his own resources and credit, irnished all the money for the engineering corps in their recent work between Memphis and Covington, amount ir to several thousand dollars, "Therefore, Resolved, that the Trees mer of this Company out of the first money of the Company that shall come into his mands, relieve the President of all habilities incurred in behalf of this Company, and further that he shall pay of his shotton and commencement of his labors as such "

And this was the first return I received for three years of hard labor, large expenditures and heavy risks. It hardly paid me back the money I had expended. But pretty soon the road I had created LOOK UP IN PUTURE IMPORTANCE.

in the result of the receipt of your return of certain money and stocks paid to make a contract with them as to the amount of commissions on the contract with the present course of the Roard the premises given to the world rough the premise given to the world rough the premise given to the world rough the premise given to the subscriptions and build it. Our Board approach the tax payers that can never be enforced. Thus do curses, like chickens, come home to rough the tax payers that can mover be enforced. Thus do curses, like chickens, come home to rough ket the board with the tax payers that can never be enforced. Thus do curses, like chickens, come home to rough ket the board and build it. Our Board approach to take a contract with the tax payers that can never be enforced. Thus do curses, like chickens, come to the tax payers that can never be enforced. Thus do curses, like chickens, come t I had made in canyassing for the stock, that they might be guided in making me a proposition. These expenditures amounted to about \$10,000, and had not

the Memphie Daily Appeal of Tuesday Upon the statement as made by me, the 18th lust. I am, very respectfully, Capi, Lacey proposed that the Mississippi Manyrars, Tarks. April 14, 1871.

Some years ago I had the temerity and misforing to say I would like to do some iduate to mise, and that I releive the Company from all claim for commissions. This claim was \$65,000 on the county subtempts, the quesar city and commercial pride of my native State. It was known to a few that I had acquired as the proposition. And in this commercial pride of my native State. It was known to a few that I had acquired as the proposition. And in this connection it should be borne in mind that at the time the proposition was suited in the prosperous Northwest, and I was applied to (tirk was in the winter of 1800-66) to revive, reorganize and building in the Mississippi River Railroad, as company for building which had been chartered before the war, but had becomes wholly disorganized during the war. I chartered before the war, but had becomes wholly disorganized during the war. I fact them to pay me something over supposed this was the door opened for my statement of the south of expenses, leaving me about \$15,000 as and misapplication of county bonds and the work—threw my whole-hard into it—gave it my time and money, and whatever gave it my time and money, and whatever and and ability I possessed, and resolved and country were weekly filled with charges of precaution and frauds, and misapplication of county bonds and money under my administration, with the connivance of "corrupt members" of my Board. After I left the Soard last formed in Tennasco, which work had not been derible and the south of the country were weekly filled.

Chief Justice Chase resumed his centry the answer.

General Endas, commanding the with charges of precaution and frauds, and misapplication of county bonds and money under my administration, with the connivance of "corrupt members" of my Board. After I left the Soard last formed in Tennasco, which work had not be sufficient to pay \$10,000 as and misapplication of county bonds and money under my administration, with the connivance of "corrupt members" of my Board. After I left the Soard last formed in Tennasco, which work had not be sufficient to pay \$10,000 as and misapplication of county bonds an spending one dollar at Nashville in "log-rolling," or other usual and corrupt prac-

Mr. W. H. Greenlaw, who is our most

experienced railroad organizer and build-er, with an intimate knowledge of all the facts connected with my services for the Mississippi Railroad, has again and again said in my presence and in that of others, that there had been less waste of means in the organization of the Mississippi River Railroad, by myself, than in any other with the organization of the Mississippi River Railroad, by myself, than in any other with the Board, and having some constraint of the Manufacture of the transactions.

After awhile the McCombs contract was canceled, and new negotiations were com-messed with the owners of the Paducah derived on Memphis ratiroad stocks, and be smeared at the "inexperience" and "stappility," if we may not say "corruption," of the Board that could make a contract promising one such early and extravagant pay for the vital and they were receiving from me!

THE PUTTIEE.

So much for the past work I had performed. For the fulme, I provided in my contract that I should, at my own expense.

A MARKE PRODUCT IN Control Plant of the control pla

maintain it during the gloom of politi-despair and bankruptcy that so long ershadowed the South; of my liberal abatement of well earned wages when asked to state them for the good of the road; of my recent offer to concede still further if thereby I could pro-mote the construction of the road; and finally of the contemptuous scorn of my liberal overture, and the unblushing re-

President, Mr. A. S. Mitchell, has not only borne all the expenses of the reorganization of the Mississippi River Railroad who, from his instincts as a gentleman, would not pronounce the deed as infinitely disgraceful and such as should itself from his own resources and credit, one engaged in it.

There are some legal results that may flow from the present action of the Mississippi River Railroad Directors of a startling nature to them, and not contemplated when they plunged bifindly into it. If it be true, as they alloge, that the old Board of Directors, elected at Covington in August, 1866, had no legal existence and could not make contracts binding on the company, there does not exist at this day any Mississippi River Railroad Company. For the present Board inherited its official organization and existence from the old Board. The A QUESTION OF LEGALITY. and existence from the old Board. The Board that made the contract with me, is the identical Board that, made the contract of subscription with the counties of Shelby, Tipton and Landerdals, If the contract with me is null and void, the

auffering Southern people. I got their mained and captive sons out of the "Irving Block"—I obtained protection and roller for their widows and orphans visited Washington city and the Northern prisons again and again and procured the release of sick Confederate soldiers, Federal raids or occupation, whereby its people were saved not only from the so-cial distress of war, but, as many of the Upon the statement as made by me, care Lacey proposed that the Miscussippi River Ballroad Company pay me the first year's coupons on the Shelby and Tipton county bonds then in hand, amounting to alsons \$20000; that out of that I pay the expenses I had incurred, and that the res-
